CAHTA SERIES - 8 CHANNELS

JHD8P	BTE	8 Digital Signal Processing Channels, Adaptive Directional with 2 microphones, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197547966	2250
	RIC	8 Digital Signal Processing Channels, 2 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Low Battery Warning Tone	8699197548000	2250
	CIC	8 Digital Signal Processing Channels, 1 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197547980	2250
JHD8SP	BTE	8 Digital Signal Processing Channels, Adaptive Directional with 2 microphones, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197547973	2250
	CIC	8 Digital Signal Processing Channels, 1 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone, Internal Audiometer System	8699197547997	2250

VERTO SERIES - 12 CHANNELS

JHD12P	BTE	12 Digital Signal Processing Channels, Adaptive Directional with 2 microphones, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548024	3250
	RIC	12 Digital Signal Processing Channels, 2 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548062	3250
	CIC	12 Digital Signal Processing Channels, 1 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548048	3250
JHD12SP	BTE	12 Digital Signal Processing Channels, Adaptive Directional with 2 microphones, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548031	3250
	CIC	12 Digital Signal Processing Channels, 1 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548055	3250

PIMA EQ SERIES - 16 CHANNELS

JHD16P	BTE	16 Digital Signal Processing Channels, Adaptive Directional with 2 microphones, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548086	3750
	RIC	16 Digital Signal Processing Channels, 2 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548123	3750
	CIC	16 Digital Signal Processing Channels, 1 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548109	3750
JHD16SP	BTE	16 Digital Signal Processing Channels, Adaptive Directional with 2 microphones, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548093	3750
	CIC	16 Digital Signal Processing Channels, 1 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548116	3750

PIMA MQ SERIES - 24 CHANNELS

JHD24P	BTE	24 Digital Signal Processing Channels, Adaptive Directional with 2 microphones, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548147	4500
	RIC	24 Digital Signal Processing Channels, 2 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548185	4500
	CIC	24 Digital Signal Processing Channels, 1 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548161	4500
JHD24SP	BTE	24 Digital Signal Processing Channels, Adaptive Directional with 2 microphones, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548154	4500
	CIC	24 Digital Signal Processing Channels, 1 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548178	4500

SONUS 7E SERIES - 32 CHANNELS

JHD32P	BTE	32 Digital Signal Processing Channels, Adaptive Directional with 2 microphones, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548208	5500
	RIC	32 Digital Signal Processing Channels, 2 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548246	5500
	CIC	32 Digital Signal Processing Channels, 1 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548222	5500
JHD32SP	BTE	32 Digital Signal Processing Channels, Adaptive Directional with 2 microphones, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548215	5500
	CIC	32 Digital Signal Processing Channels, 1 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548239	5500

XLINE 4E SERIES - 48 CHANNELS

JHD48P	BTE	48 Digital Signal Processing Channels, Adaptive Directional with 2 microphones, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548260	6250
	RIC	48 Digital Signal Processing Channels, 2 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548307	6250
	CIC	48 Digital Signal Processing Channels, 1 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548284	6250
JHD48SP	BTE SP	48 Digital Signal Processing Channels, Adaptive Directional with 2 microphones, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548277	6250
	CIC SP	48 Digital Signal Processing Channels, 1 microphone, Programmable, AFC Adaptive Feedback Cancellation Technology, Noise Reduction Technology, Low Battery Warning Tone	8699197548291	6250
